

GENERAL EXPORT INFORMATION

It is the policy of NAL Research Corporation (NAL Research) to fully comply with all United States (U.S.) export and economic sanction laws and regulations. The export of NAL Research products, services, hardware, software and technology must be made only in accordance with the laws, regulations and licensing requirements of the U.S. Government. NAL Research customers must also comply with these laws and regulations. Failure to comply can result in the imposition of fines and penalties, the loss of export privileges, and termination of your contractual agreements with NAL Research.

The export and re-export of NAL Research products and services are subject to regulation by the Export Administration Regulations (15 CFR 730-744), as administered by the U.S. Department of Commerce, Bureau of Industry and Security ("BIS"). See: <http://www.bxa.doc.gov> for further information on BIS and the Export Administration Regulations (EAR). Additional export restrictions are administered by the U.S. Department of the Treasury's Office of Foreign Asset Controls ("OFAC"). See: <http://www.ustreas.gov/ofac> for further information on OFAC and its requirements.

Embargoed/Sanctioned Destinations

Currently, NAL Research's products, services, hardware, software, and technical data may NOT be EXPORTED or RE-EXPORTED, either DIRECTLY or INDIRECTLY, to the following U.S. embargoed or restricted* destinations, or to companies or citizens/nationals of these destinations:

Cuba, Iran, Libya, North Korea*, Sudan, or Syria*

without prior authorization from the applicable U.S. Government agency (BIS and/or OFAC) and NAL Research. This list of embargoed/sanctioned destinations is subject to change at any time, and current information should be obtained directly from the appropriate U.S. government agencies.

Denied Persons

NAL Research's products, services, hardware, software, or technical data may NOT be EXPORTED/RE-EXPORTED, either DIRECTLY or INDIRECTLY, to a person or entity barred by U.S. Government from participating in export activities. Denied persons include those individuals or entities listed on the Commerce Department's Denied Persons List and the Commerce Department's Entity List (available on the Web at www.bxa.doc.gov), and the Treasury Department's Lists of Specially Designated Nationals and Blocked Persons and other lists maintained by the Treasury Department of sanctioned persons and entities (available on the Web at www.treas.gov/ofac).

Enhanced Proliferation Control Initiative

NAL Research's products, services, hardware, software and technical data may NOT be EXPORTED/RE-EXPORTED or used DIRECTLY or INDIRECTLY in the design, development, fabrication or

use of nuclear, chemical or biological weapons or missile technology without prior U.S. Government authorization.

Disclaimer

This information is not intended to replace the EAR, other U.S. export laws (such as Treasury Department embargo and sanctions regulations and the State Department's International Traffic in Arms Regulations), or the Harmonized Tariff Schedule (HTS). It is intended to be used in conjunction with U.S. export control laws and regulations in connection with the export, re-export and import of NAL Research's products. Our service partners are responsible for ensuring that their export and re-export of NAL Research's products are in accordance with the requirements of the EAR, other U.S. export laws and regulations, and the HTS. End user, end-use and country of ultimate destination may affect export-licensing requirements. All Export Control Classification Numbers (ECCN), Harmonized Tariff Schedule (HTS) Numbers and License Authorization information are subject to change without notice. It is therefore the obligation of our service partners as an exporter, importer or re-exporter to verify such information and comply with the then currently applicable regulations. The data provided herein are for information purposes only. NAL Research makes no representation or warranty as to the accuracy or reliability of such classifications, groups, or symbols for any purpose whatsoever. The materials in this document are not intended to be or contain legal advice. Nothing provided should be used as a substitute for the legal advice of competent counsel. You are urged to consult the EAR, the Bureau of Industry and Security's Export Counseling Division, OFAC, and other appropriate sources before exporting, re-exporting, distributing, importing, or using NAL Research products.
